Principal letter

Dear parents and carers

As we move towards the end of Term 2, I would like to take the opportunity to share some of the exciting work taking place across Ngarri Primary School.

Over the coming months, we will be undertaking a comprehensive review of our facilities and grounds to develop a long term School Improvement Plan for our learning environment. This work will help us identify priority areas for improvement and ensure our school continues to provide a welcoming, safe and engaging environment for all students. The review will focus on painting upgrades, carpet replacement, improvements to Learning House, general maintenance and presentation, and outdoor learning spaces. I am also pleased to report that we have now received quotes for the installation of additional shade sails across the school. These improvements will provide increased sun protection and create more comfortable outdoor spaces for students during learning and play times. The installation of additional shade sails is the amazing example of how community fundraising is making a real and lasting difference for our students. On behalf of the school, I would like to sincerely thank all families who have supported our fundraising efforts throughout the year.

Our recent Curriculum Day was a fantastic success and provided staff with valuable opportunities to collaborate, learn and plan together. The day focused on the Victorian Teaching and Learning Model (VTLM 2.0) and Positive Classroom Management Strategies (PCMS), both of which are key priorities for our school improvement journey.

We are pleased to welcome Dylan Lund to the Ngarri team as the new teacher replacing our Year 2 classroom teacher. Looking ahead, we have a couple of family leave positions commencing in Terms 3 and 4 and are currently working through recruitment processes to ensure continuity of learning for our students. We continue to recruit for a Year 4 teaching position and remain committed to securing high quality staff who align with our school's vision and values.

The Attitudes to School Survey (AToSS) was conducted earlier this term and has now been completed. We are very encouraged by the initial results. Early analysis indicates strong growth when compared with our 2025 data, with several positive trends emerging across student wellbeing, engagement and connectedness measures.

Thank you for your ongoing support. Together, we continue to build a school where every child is known, valued and inspired to achieve their very best.

ADVANCED CHESS

Swarit Borle 6C

Sia Patil 3F

Congratulations to Ngarri Primary School's two Term 2 Advanced Chess gold medallists - Sia Patil in Year 3 and Swarit Borle in Year 6. Both Sia and Swarit have shown dedication and perseverance in learning and competing in Chess, and we can't wait to see how they fare at the Inter-School Competition which takes place in Term 3. Well done Sia and Swarit
