Dear parents and carers

We've been enjoying some beautiful warm weather lately, which has been a real treat. It's been fantastic to see our students making the most of it by getting outside, enjoying the fresh air, and connecting with one another during break times.

Living Our School Values

As always, we are proud of the positive, respectful culture we nurture at our school. We kindly remind all members of our community to continue upholding our school values both inside and outside the classroom, helping to maintain a safe and welcoming school environment.

Parking Reminder – Safety First

Parking outside the school continues to be a concern. Please help us keep everyone safe by avoiding U-turns along Holyoake Parade. We ask that you use the side streets to turn around and park respectfully in designated areas. Thank you for your support in keeping our children safe.

Special Visit from MP John Lister

We were delighted to welcome MP John Lister to our school last week. He visited to purchase a Mother's Day gift for his mum and took the time to speak with students and staff. Both John and his mother shared lovely feedback about our school, especially noting our students' smart uniforms and the calm, friendly atmosphere throughout the school.

Break Time Dance Party Fun

Our recent break time dance party was a massive hit, especially for our new students who got to experience it for the first time. The sunny weather made it even more enjoyable. We love seeing our students come together, move, laugh, and create positive memories.

A Final Note

As the term continues, we encourage everyone to take care of themselves and one another. Let's make the most of the sunshine and continue building a strong, kind school community.

Foundation Mother's Day Picnic

Foundation Mother's Day Picnic

On Friday the 8th of May, the Foundation students invited the important women in their life to a very special picnic. Mothers, aunts and grandmas visited our classrooms and were able to enjoy a small activity with their child. They were given a Mother's Day card that students had made during writing lessons earlier in the week, before heading to the basketball courts where all of the Foundation classes got together for a big Mother's Day Picnic in the sunshine.

Safety Around Ngarri Primary School

When driving to Ngarri, please show some respect to the residents, who live in close proximity to our school. It is illegal to park on, or across, any driveways. The residents need to be able to get in and out of their properties at all times. We encourage parents to follow the road rules and treat each other respectfully, when dropping and picking up children from school.

REMEMBER: when driving to school, show some respect and keep clear of driveways at all times.

Before/After School Yard Supervision

Before school (in the morning) yard supervision, by teachers, is **from 8.35am**, and after school is **until 3.10pm**.

Students are **not permitted** in the yard **before 8.35am**

If no one has collected students by 3.10pm, in the afternoon, they will be walked to front reception.

Please enter and exit through the front, rear and side gates only-not via the staff carpark.

Dropping Off and Picking Up Strudents

PLEASE-PLEASE-PLEASE-PLEASE-PLEASE-PLEASE

More care needs to be taken when dropping and picking up your child/ren from school.

Please park safely around the school before allowing your child/ren to get out of or into your car. we have had a few complaints and near misses of hitting parents and children, especially in Ricotta Street. We know that you are all in a hurry, but an extra 5 minutes spend parking safely could save a life!

NGARRI PS ATTENDANCE

Getting kids to school every day is the foundation for ensuring learning and wellbeing success for all our students here at Ngarri PS. All children should be at school every day unless they are unwell.

NGARRI PROCESSES AROUND STUDENT ATTENDANCE

1

If your child is absent, you need to record their absence on compass by 'Adding an Attendance Note'

If your child is absent and you don't let the school know by recording it on compass before 9.30am, an sms is sent each morning at 9.30am asking you to explain your child's absence on compass.

2

3

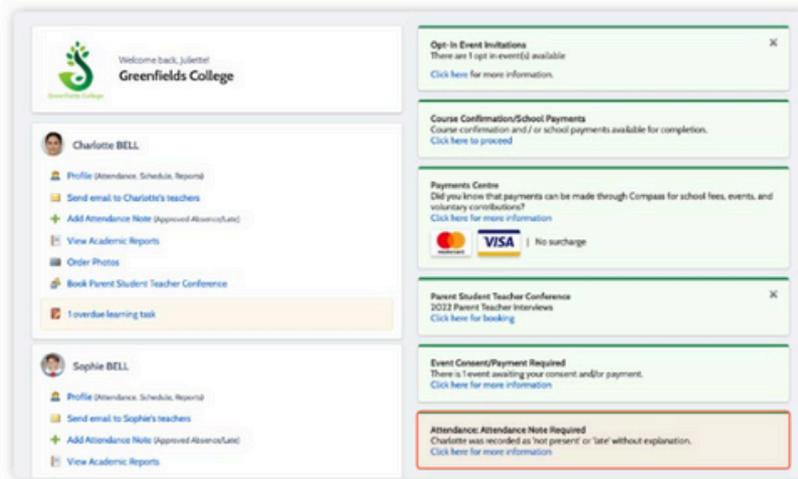

If your child is absent for two days or more and you have not explained it on compass, the school will contact you by phone and/or email to find out how we can support your child returning to school.

Ph. 8764 3999

Email: ngarri.ps@education.vic.gov.au
